Acquisition of certain properties for opening out a road in front of the Executive Engineer's office at Tumkur

Sir,

With reference to the correspondence ending with your letter No L 3952 dated the 28th November, 1936, on the above subject, I have the honor to state that, out of the three S Nos. Viz 98,91 and 90 of Tumkur, shown in the preliminary notifications, it is proposed to drop the acquisition proceedings in respect of S No 90 in view of the fact that the land is in the possession of the Railway Department The President, Town Municipal Council, Tumkur a t whose instance the land was proposed to be acquired, has intimated (vide his memo No 870/41-42 dated 9-9-42 enclosed in the records) that negotiation is being carried on separately with the Railway Department to obtain the land for the purpose in view, I recommend therefore that the acquisition proceedings in respect of S No 90 may be kindly caused to be with-drawn

As regards the extent of land to be acquired out of S No 98, it is seen from the records only 695 square yards of land is required for the purpose while the extent notified in the preliminary notification was 1069 square yards The correct extent now required has been given in the declaration statements herein enclosed I request you therefore to be so good as to obtain early sanction of Government for the acquisition of land out of S Nos 91 and 98 referred to above and to cause the enclosed declaration statements to be published in the Gazette The Sub Division Officer, Tumkur Sub Division, may be appointed to perform the functions of a Deputy Commissioner under the Land Acquisition Act and authorised to take orders for the acquisition of the said property.
